### IMPORTANT TO REMEMBER:

Please ensure that your child wears old clothes and shoes as paints and other materials may stain clothing.

Please also ensure that your child brings a healthy snack with them as each session has a dedicated 15-minute break. Please do not bring lollies, chocolates, high sugar content snacks or beverages, nuts, eggs or shellfish into our studios during the holiday program.

Students that are attending a full day of the program (two sessions) are required to stay on our premises and will be supervised during the lunch hour at a cost of \$10 per child. Children will be required to have a permission to go to the adjacent park form filled if staying over the lunch period.

Please take time to consider the readiness of your child, particularly if they are very young to spend a full day in our studios. This is an art program and we invite all children who have a passion and interest in art. We encourage you to choose activities together with your children so that they are as excited to attend as we are to have them!

We encourage parents to bring their children into the studio at the commencement of each class and to pick them up from the studio at the end of each class. A signed parental permission letter will be required for staff to allow them to wait outside of the studio during pick up time.

Please also read our terms and conditions page for more information.
