

## SUMMER SCHOOL HOLIDAY PROGRAM – SESSION DETAIL

### WEEK ONE

DECEMBER 17

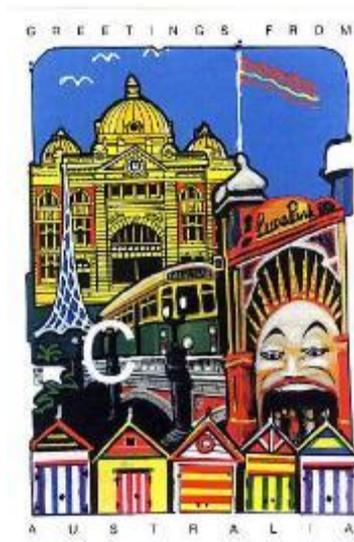

AM SESSION

MELBOURNE POSTCARDS

TECHNIQUE:

DRAWING – May extend into watercolour and coloured pencil.

Looking at some of Melbourne's famous icons, each student will create a series of drawings that will create an impressive and surprising landscape.

PM SESSION

EXPLORING THE MASTERS: MONET LANDSCAPE PAINTING

TECHNIQUE:

Painting on canvas or canvas paper.

In this class each student will produce a colourful painting inspired by Claude Monet's beautiful landscapes. Taking inspiration from his gorgeous colours and subjects, a mini masterpiece is just waiting to be made!

**DECEMBER 18**

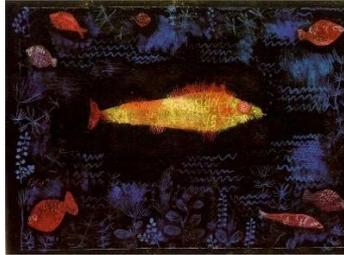

**AM SESSION**

**TECHNIQUE:**

**UNDERWATER SEA LIFE LANDSCAPES**

**Mixed Media**

Taking inspiration from colourful artists like Paul Klee and Juan Miro, students will learn how to create images of fish and sea life in a quirky underwater world. Each little artist will bring home a colourful mixed media creation that uses paint and collage for a unique creation.

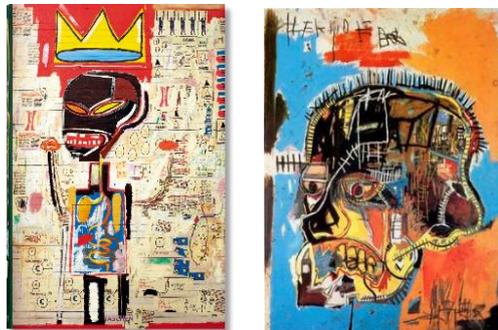

**PM SESSION**

**TECHNIQUE:**

**MIXED MEDIA, JEAN MICHELE BASQUIAT**

**Drawing, painting and collage.**

Basquiat, one of the most iconic artists of the 80's, painted images that were full of character, humour and colour. In this class, students will be inspired by this New York icon to create their own personalised version of his work.

**DECEMBER 19**

**AM SESSION**

**TECHNIQUE:**

**ABSTRACT ART CREATIONS**

**COLLAGE AND PAINTING**

In this class we will teach students about colour, shape and composition while encouraging them to connect with self-expression. Using collage and paint, we will draw inspiration from some of the worlds most famous abstract artists, such as Robert Delaunay.

PM

**IMAGINATIVE SCULPTURE**

**TECHNIQUE:** A choice of multiple media including air dry clay, cardboard, board, wire, found objects, collage and applied objects.

Using lots of different objects and clay, we will be creating little quirky sculptures coming straight from the students imagination.

DECEMBER 20

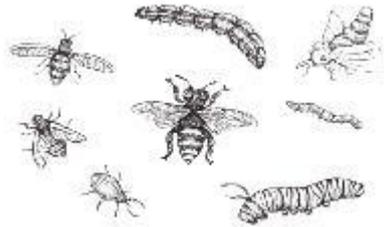

AM SESSION

**DRAWING CREEPY CRAWLY INSECTS**

**TECHNIQUE:**

**PENCIL DRAWING, PEN DRAWING, INK AND WASH**

Although this session may seem a bit scary, drawing insects is a great way of learning how to draw! We will teach our up and coming young artists how to create amazing images using pen, ink wash and other media. One of our most popular lessons!

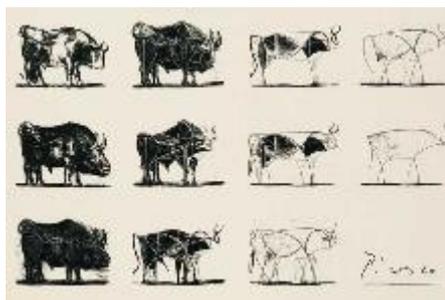

PM SESSION

**EXPLORING THE MASTERS: PICASSO'S ANIMALS**

**TECHNIQUE:**

**DRAWING & PAINTING ON CANVAS IN ACRYLIC PAINT**

This session will teach students about the works of Pablo Picasso and the ways in which he approached the painting of animals. Using a variety of media each student will complete a beautiful expressive work of art.

DECEMBER 21  
AM SESSION  
TECHNIQUE:

DRAWING DANCERS, DEGAS  
DRAWING USING PENCIL, INK WASH AND WATERCOLOUR

In this class we will be inspired by the beautiful drawings of Edgar Degas. Using mixed media drawing materials, students will learn about figure and movement.

PM SESSION  
TECHNIQUE:

DALI CLAY CLOCKS AND DRAWINGS  
DRAWING IN PENCIL AND SCULPTING IN AIR DRY CLAY

In this session, students will create an imaginative drawing based on Dali's melting clock paintings and then create their own clock using air dry clay.

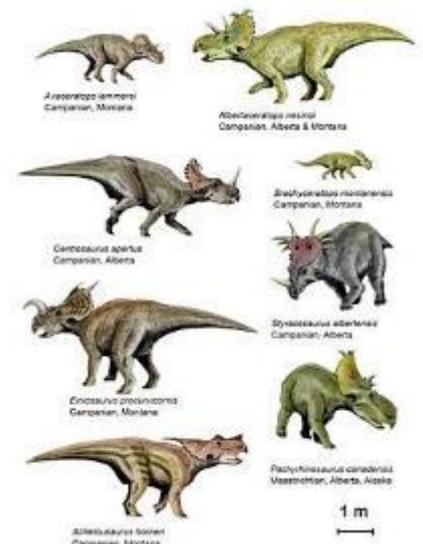

## WEEK TWO

MONDAY, JANUARY 14  
AM SESSION  
TECHNIQUE:

DRAWING DINOSAURS  
PENCIL, PASTEL AND WATERCOLOUR PAINT

Who doesn't love drawing dinosaurs! Using a variety of drawing media, each student will create a beautiful work, that also educates them in line and form.

**PM SESSION**                      **PAINTING LIKE VAN GOGH**  
**TECHNIQUE:**                      **DRAWING AND ACRYLIC PAINT ON CANVAS**

Van Gogh is known for his beautiful textures and colours. Taking inspiration from some of his famous works, students will take home a beautiful expressive painting.

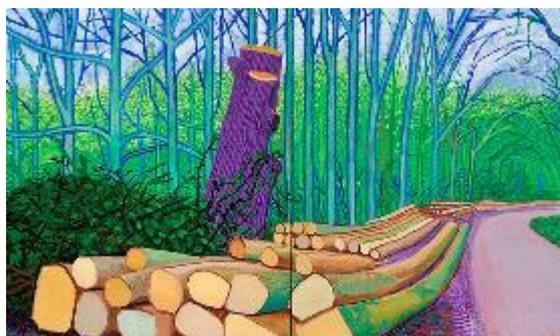

**TUESDAY JANUARY 15**  
**AM SESSION**                      **KEITH HARING STREET ART**  
**TECHNIQUE:**                      **PENCIL, MARKERS, FOAM PRINTMAKING AND WATERCOLOUR**

Calling all street art fans! In this class, we will be creating incredible works inspired by Keith Haring. Using a variety of drawing media and some basic printmaking techniques, students will learn about different mediums whilst making a street-art masterpiece!

**PM SESSION**                      **PAINTING LANDSCAPES LIKE DAVID HOCKNEY**  
**TECHNIQUE:**                      **PAINTING ON CANVAS PAPER OR CANVAS IN ACRYLIC PAINT**

In this class students will learn how to paint a vibrant and colourful landscape based on the stunning works of David Hockney. We will teach our students about colour mixing, composition and decorative surfaces in this great class.

**WEDNESDAY JANUARY 16**

**AM SESSION STILL LIFE SCULPTURE AND DRAWING**

**TECHNIQUE: PENCIL DRAWING AND AIR DRY CLAY**

Using air dry clay, students will sculpt their own personal still life set up of fruit and vegetables that they will then be used in their own drawing. This is a great class to start the journey towards technical drawing!

**PM SESSION**

**MAGRITTE'S EYE PAINTING**

**TECHNIQUE:**

**PAINT ON CANVAS OR CANVAS PAPER**

In this class we will examine the famous Surrealist Eye Painting. Each student will create their own work based on Magritte's renowned work using paint on canvas.

**THURSDAY JANUARY 17**

**AM SESSION DRAWING CRAZY ANIMALS**

**TECHNIQUE: PENCILS, PEN, INK WASH AND WATERCOLOUR ON WATERCOLOUR PAPER**

Using watercolours, pen, ink and wash our students will create hybrid animal drawings merging two different species together in the quest for the craziest animal creation!

**PM SESSION  
TECHNIQUE:**

**MIRO'S MAGICAL PAINTINGS  
DRAWING, PAINTING AND COLLAGE ON CANVAS OR CANVAS PAPER**

Using mixed media, we will explore the symbolism and Surrealism of the quirky and colourful Juan Miro. Students will create a colourful work of art based on his amazing works.

**FRIDAY JANUARY 18**

**AM SESSION  
TECHNIQUE:**

**COLLAGE FACES  
DRAWING AND COLLAGE**

Using drawing and collage we will teach students how to create expressive portraits using a variety of drawing and collage materials. We will look at a number of different approaches that will result in a final work of art.

**PM SESSION  
TECHNIQUE:**

**MATISSE'S FAMOUS CUT OUT PICTURES  
DRAWING, CUT OUTS AND COLLAGE**

Using collage and drawing, in this class we will be looking at Matisse's famous colour-block images. Students will cut out figures into an original and inventive art work of their own.

**WEEK THREE**

**MONDAY JANUARY 21**

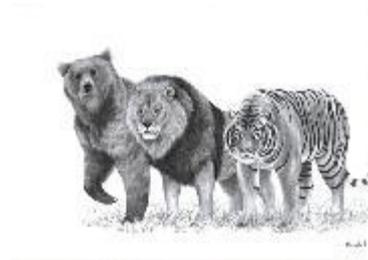

**AM SESSION**

**DRAWING LIONS, TIGERS AND BEARS**

**TECHNIQUE:**

**PENCIL – MAY COMPLETE WITH WATER COLOUR OR PASTELS**

Using mixed media students will create a series of interesting drawings that use shapes and textures to create articulate animal forms.

**PM SESSION**

**SELF PORTRAITS IN PAINT**

**TECHNIQUE:**

**PHOTOGRAPHY, TRANSFER, PENCIL, PAINT, CANVAS OR CANVAS PAPER**

Using both old and new techniques, we will teach students how to create an amazing self-portrait.

**TUESDAY JANUARY 22**

**AM SESSION**

**DRAWING TREES AND FORESTS**

**TECHNIQUE:**

**PENCILS, COLOURED PENCIL, WATERCOLOUR AND PAPER**

Using a variety of materials, we will teach students how to draw forests of trees. Each student will bring home a beautiful colourful landscape with the additional lesson in perspective!

**PM SESSION**

**HUNDERTWASSER'S COLOUR AND DESIGN MATERPIECES**

Students will appropriate the colourful and decorative works of Hundertwasser to come up with an original decorative and extremely vibrant work of art and design. Using pure colour and patterned forms your child will be delighted at what they can create in an afternoon.

**WEDNESDAY JANUARY 23**

**AM SESSION**

**CARTOON SUPERHERO SELF PORTRAIT**

**TECHNIQUE:**

**PENCIL, MARKER PENS, BLEED PROOF PAPER**

In this class, using traditional cartooning techniques, every mini-artist will design and complete their own superhero! Each student will go home with one mounted drawing, complete with their own personality and story.

**PM**

**DRAWING AND SCULPTING BIRDS**

**TECHNIQUE:**

**PENCILS, WATERCOLOUR AND AIR DRY CLAY**

Using air dry clay and drawing media, we will draw and sculpt a number of bird forms. Beginning with the understanding of how a bird drawing is formed through shapes, students will replicate their 2-dimensional drawings into a 3-dimensional sculpture.

**THURSDAY JANUARY 24**

**AM SESSION                      PET PORTRAITS**

**TECHNIQUES:                    PENCILS, MIXED PAINT MEDIA ON CANVAS PAPER OR CANVAS**

Bring in your favourite photograph of your dog, cat, horse, bird or any other animal you love and we will help you create a beautiful portrait based on your special pet. Students may also bring in a favourite image of an animal or we can offer them a choice from our collection. One of our most well-loved classes!

**PM SESSION                      ANCIENT EGYPTIAN ART**

**TECHNIQUE:                      CLAY, COLLAGE, WRITING MATERIALS, GOLD LEAF AND CARDBOARD**

Create a number of small projects that explore the incredible art of Ancient Egypt. We will take a close look at symbols and structures, and will come home with a collection of 'archeological' finds!
